"Being part of the solution."

The Nautical Institute

Adopt A Ship Structure

Teachers in partner Schools, Orphanages and Shelters exchange email once a week with Seafarers onboard.

Role – Communicate weekly with Seafarers Onboard. Give pre & post test/survey to Children.

Elementary School Teachers

Match Seafarers and Teachers. Explain program to Teachers including monitoring and evaluation system and tools, including pre and post-test tool.

Role – Liaison between Schools, Teachers & assigned Seafarer onboard Ships. Overall project management.

Participating Seafarers will encourage the young generation to consider a Maritime Professional career

Role – Captain / Seafarer to share experience on-board thru weekly email exchange with assigned Teacher.
